INTRODUCTION

ONE OF THE LARGEST EVENT SUPPLIERS **IN EUROPE**

Spaceworks was conceived in 1990 and during that time has grown to become one of the largest event suppliers in Europe. This has been achieved by building on our strengths and reputation for innovation, versatility and reliability.

Whatever the requirement, Spaceworks can provide tailored solutions to enhance major events, exhibitions, conferences, weddings, banquets, film and television productions, private parties, corporate functions and more.

Our extensive range of hire products includes banqueting and cocktail tables, table linen, backlit bars, dance floors, bar stools and a huge variety of seating options - from gilt banqueting chairs and customised chiavaris to a selection of Bistro and Dining Chairs.

Spaceworks continuously develops new ideas and invests in new products to keep up to speed with the changing needs of the industry.

Over the years we have worked on a variety of events and with a variety of venues including; The Open Golf Championships, AEGON CHAMPIONSHIP and Wimbledon Championships, ATP Tour, PGA EUROPEAN TOUR Events, The Ryder Cup, The Brit Awards, Goodwood Festival of Speed, Goodwood Revival and Glorious Goodwood.

Some of the venues we have worked in include; Tobacco Dock, Dutch Hall, Natural History Museum, V&A Museum, Birmingham NEC, The Oval, Wembley Stadium, Fabric London to name a few.

CHAIRS & SEATING

From **Classic Banqueting** to **Bistro Chairs** and **Fine Dining Chairs**, you'll be spoilt for choice with our vast selection of seating options. There is something to suit every style of event from intimate fine dining to hospitality at some of the UK's **major sporting events**.

BANQUETING

Our banqueting chairs are light and easy to handle as well as stackable. They're comfortable to use and come in a variety of colours – you could even have them your own bespoke colour! Choose from a variety of coloured seat pads to co-ordinate. Our Classic Chair is a traditional rounded wooden frame, whilst our Chiavari Chair offers a more classical French style with its stick back frame.

LED FURNITURE

Bring a colourful touch of glamour and light to your event or venue with our **innovative** and **exciting range** of **LED Furniture pieces**.

LED FURNITURE

Our LED range is battery powered which lasts for 8 hours and works via remote control. Each piece is delivered to you fully charged and with the appropriate amount of remotes. You'll be given a demonstration upon delivery to show you how each piece works. Operate multiple pieces using one remote, dim your lights, have them bright or even have them flashing or fading in and out. Create a centre piece at your event with our full LED bar. A bright and funky solution with a wide selection of furniture pieces for you to choose from.

ARENA SEATING

Arena Seating provides the highest level of comfort to your venue or event's audience, combined with the perfect view of the action. Specialising in the sale and hire of temporary seating systems, no matter what the size of the event or venue, Arena Seating has the knowledge and products to fit.

But it's not just seating the company specialises in; the 80+ strong team has extensive experience in designing and installing supporting site structures such as media platforms, commentary boxes, gantries, screen supports and scoreboards.

- A track record spanning 50 years
- An unrivalled range of flat, tiered and covered seating
- Suitable for venues and events
- Available for hire or purchase
- A dedicated team of 80+ seating professionals
- In-house CAD design team and engineers
- Highest levels of health and safety

email info@arenaseating.com

or call **+44 (0)1488 674 800**

OUTDOOR EVENTS

Outside events benefit from Arena Seating's extensive range of covered and uncovered tiered grandstands and flat seating, which have been the economical choice for event organisers across Europe for the last 20 years. Giving the feel of a permanent venue these products are hardwearing, durable and completely flexible to requirements.

INDOOR EVENTS

From conferences to exhibitions and concerts to sports, Arena Seating has an extensive range of flat and tiered seating products ideal for indoor use. From simple tip-up seats to upholstered styles ideal for VIPS and corporate events, Arena Seating has the right product to meet your needs.

SITE STRUCTURES

Camera and media platforms, broadcast studios, commentary boxes, bridges, gantries, scoreboards, screen supports. The list of ancillary structures for an event can be endless. Arena Seating can provide all of these and more, giving you all the site structures required for your event.

ARENA STRUCTURES

Arena Structures provides temporary event structures for all sectors from sports, music, broadcast, media, conference and exhibitions to corporate, ceremonial and political events, high-profile private events and the supply of semi-permanent event venues.

The history of the business can be traced back nearly 250 years, and the team prides itself on having a deep-set knowledge of the ever-changing trends and technologies in temporary venues. Arena Structures works closely with its clients, creating venues which make an event stand out from the crowd and gives visitors the best possible experience.

- Continual investment in the latest structure technologies
- Engineered to the highest levels of health and safety
- A track record spanning almost 250 years
- Full interior design and fit out
- Experienced team of structures professionals
- Full site visits and CAD layouts

HOSPITALITY STRUCTURES

From elegant peaked-roof aluhall structures to double, and even triple-decker, hospitality venues Arena Structures creates the venue you need to make your guests' experience everything you want it to be.

FEATURE STRUCTURES

The Arena Structures team works with brands and event organisers to design and build bespoke structures which bring to life brand values, meet all sponsor expectations and offer a space for guests to enjoy.

ACCESSORIES

An event environment is about more than just the structure. Arena Structures can provide a wide range of accessories including an internal lining service, floor coverings, graphics, decking, balconies and patios, internal baffle screens, external PVC screening, scaffolding, fencing, floral, passenger lifts, door canopies, ramps and steps, lighting, flag poles to complete any event environment.

ARENA ICE

Temporary ice rinks offer city centres, retail outlets and leisure destinations the opportunity to increase footfall and generate additional revenue during the winter season. Made from real ice, Arena Ice's rinks are proven to increase customer dwell time and bring in additional revenue streams.

Arena Ice is a UK-based company which owns 100% of its ice stock and never hires from third parties, giving 100% guarantee over supply, quality and safety. The new aluminium equipment is proven to be 30% more energy efficient.

A turnkey approach makes it easy for new venues to introduce ice rinks, with Arena Ice's dedicated division handling everything from site surveys to budgets and installation to staff training. This full-service approach gives organisers a one-stop shop for all equipment including the real ice rink itself, temporary structures, to skates, skate aids and ice maintenance equipment.

ARENA INTERIORS

Arena Group's interior team works with the best designers in the business to create interiors that match sponsor and brand identities. The team's creative ideas are backed up by sound engineering and trusted equipment, which combine to create environments that fit an event's ambience and atmosphere.

- AV and air conditioning
- Roof linings in a range of colours and materials
- Hard wall partitioning systems available in natural wood effects and wallpapers, giving a permanent feel to a venue
- Blackout and star-lit linings
- Decor and finishing touches
- Branded walling
