

Emergency Response & Support

We're here to support you through these difficult and challenging times. Sadly staff cuts and shorter hours will be at an all time high in these coming weeks and months and Well Dressed Tables can help support you through these times by offering a wash and return service of any crockery, cutlery and glassware that you own and that is in daily use on your sites. Our Dishwashers are energy efficient and our chemicals are of the highest quality. You can rest assured items will come back sparkly clean from a safe and clean environment. We can also offer short term and long time hire refrigeration solutions so that you can remain well stocked. Dry store options are also available.

Wash & Return of your own Stock

We can supply a wash and return service for any of your own crockery, cutlery and glassware at a rate of £0.14p per item plus delivery and collection of £15.00 each way in Central London between 8am and 6pm Monday to Friday.

All china items would be wrapped and packed, cutlery would be washed and burnished then packed in 10's, Glassware would be washed. All kit would be packed back in boxes it was collected in and returned 72 hours after collection. i.e if we collect on a Monday, it would be returned on a Thursday, collect on a Tuesday, it would be returned on a Friday, collection on a Wednesday, it would be returned on a Monday etc.

Emergency Refrigeration & Dry Stores

We have a range of walk in cold rooms including chillers, freezers and dry stores from 1.8m upwards to help you remain well stocked. Cold rooms can be ready for delivery and installation within a matter of hours in Central London. See following pages for a full breakdown of size options.
